Venue details

Hidden below Melbourne's prominent Bank Place in the heart of the city lays this seductive Moroccan inspired bar. Marrakech awakens your senses with its sultry Moroccan decor and mysteriously alluring candlelit corners. The ambience is laid back with rich colours and solid walls, draped in soft fabric making it truly reminisce of stepping into a Moroccan abode.

The venue features two picturesque bars with experienced bartenders to cater and serve an astounding variety of delicious cocktails that is guaranteed to satisfy even the most fastidious critic. Marrakech also offers shisha pipes on demand, with a variety of fruit flavours to help all guests unwind and enjoy their time at the venue. Moreover, the two spacious dance floors and complimentary state of the art light and sound system will lure and entice people to forget their troubles and just dance the night away! Otherwise, for those who require a more intimate occasion, there are also four secluded yet inviting lounge areas.

We are open to the public in the afternoon until late for a delightful drink and our tasteful shisha/hookah pipes.

Needless to say, **Marrakech Bar is Melbourne's hidden diamond ...** only experienced by those who dare to seek.
